BroomeRecreation
AND AQUATIC CENTRE

21st Annual North West Pool Managers Aquatics Seminar

Friday 19th May, 2017
Broome Aquatic and Recreation Centre

The Department of Sport and Recreation, Leisure Institute of Western Australia Aquatics, Royal Life Saving Society Australia and the Shire of Broome would like to invite aquatic managers and shire staff across the North West to attend the 21st Annual North West Pool Managers Aquatics Seminar.

LEISURE INSTITUTE OF WA AQUATIC (INC.)

The event will highlight issues relevant to aquatic centres in the region. It also provides a great opportunity to share the knowledge and information that exists throughout the regions and the aquatic industry.

Department of
Sport and Recreation

LIWA Aquatics with its industry partners, Royal Life Saving and the Department of Sport and Recreation, are aware of the critical need to provide professional development opportunities in regional areas. It is important that both local and global issues are discussed and networks are developed and maintained.

As managers we need to ensure that our aquatic facilities remain the focal point of our community. It is very hard to achieve this in isolation – we must work together.

Royal Life Saving

THE ROYAL LIFE SAVING SOCIETY WESTERN AUSTRALIA INC.

The seminar will present information on:

- ❑ Site visit and relevant information of the BRAC Redevelopment
- ❑ The State of our Industry Report including training and development
- ❑ Watch Around Water Distraction Resources
- ❑ WaterWise Pools Program
- ❑ Disinfection Workshop – sharing services and knowledge
- ❑ Online Training and Assessment
- ❑ VET – Validation of Pool Lifeguard, Pool Operations and Future Training
