# Incident Rate

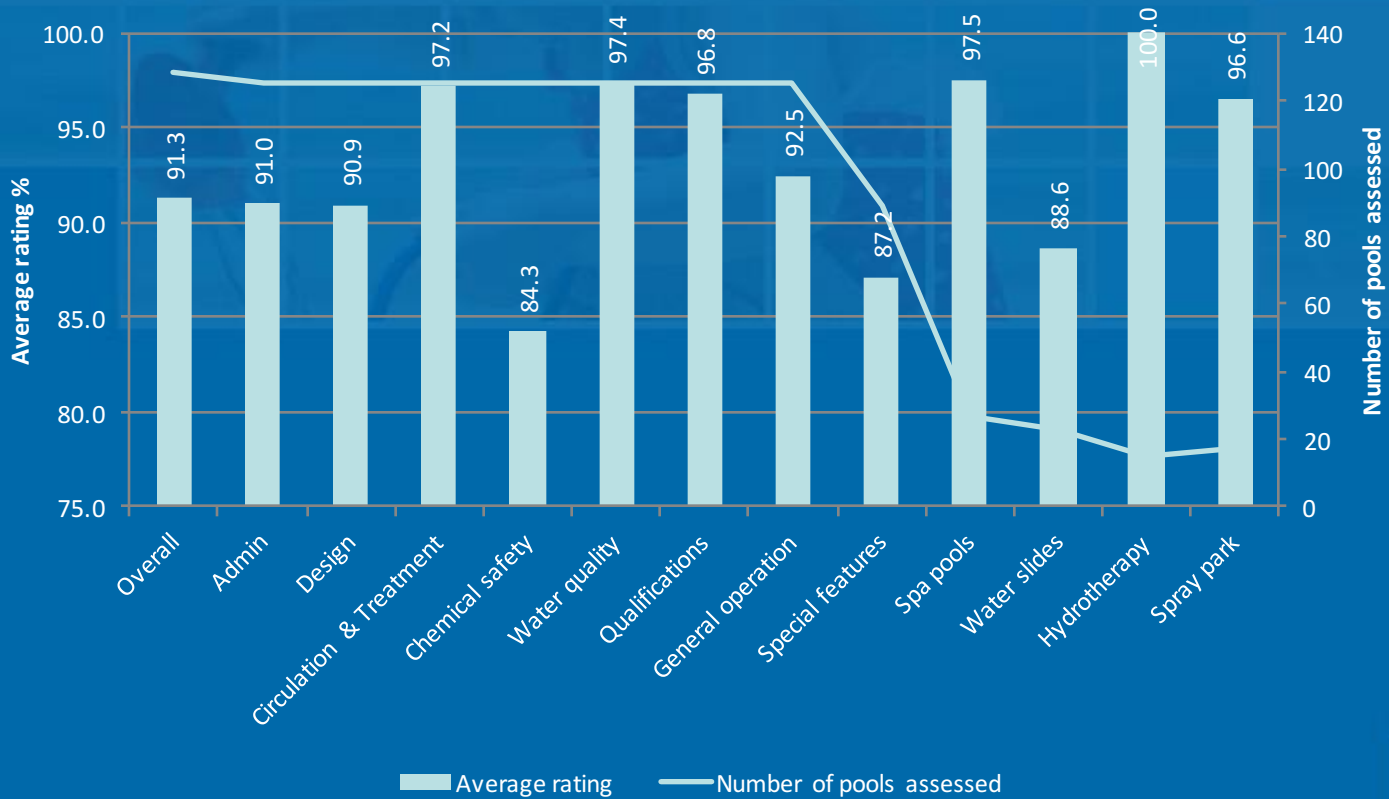

# Pillars of Safety

Make the centre as safe as can be:

# Functional Areas

# Pillars of Safety

Make the centre as safe as can be:

- Emergency care facilities (AED Program, changes to spinal management)
- Moving from signage to integrated educational solutions
- Specific risk assessments (inflatable devices, Chlorine Installations)

# Pillars of Safety

Make our lifeguards as skilled as  
can be:

# Pillars of Safety

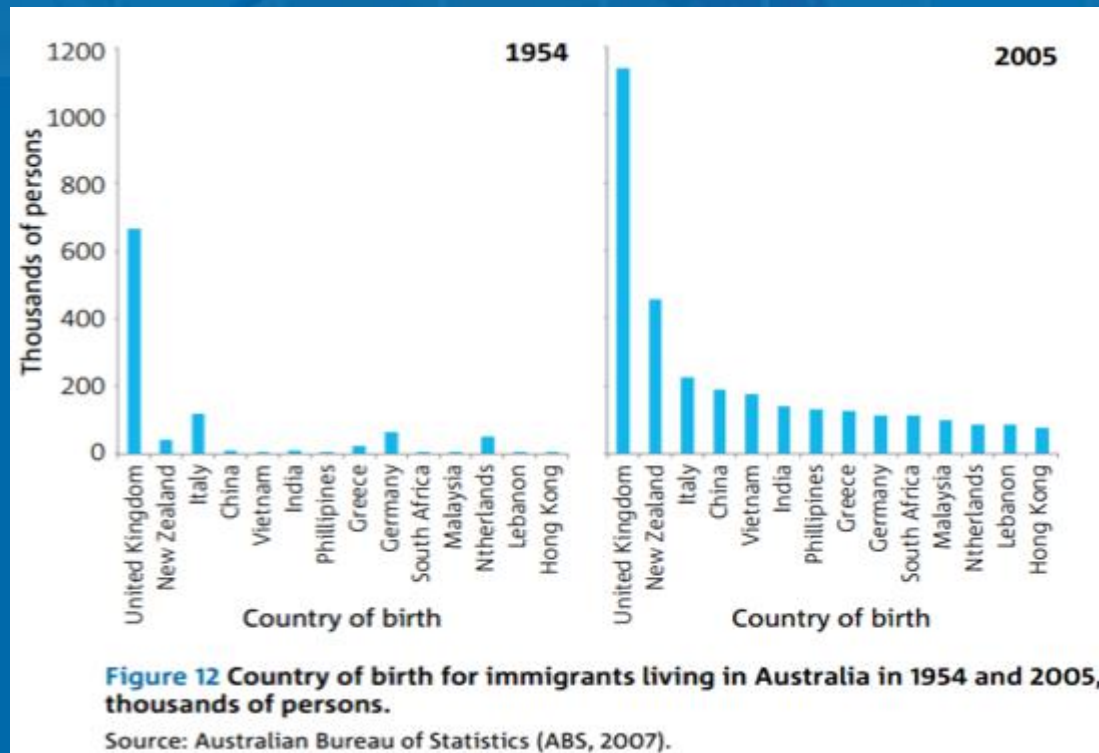

Enhance the role of the supervising parent:

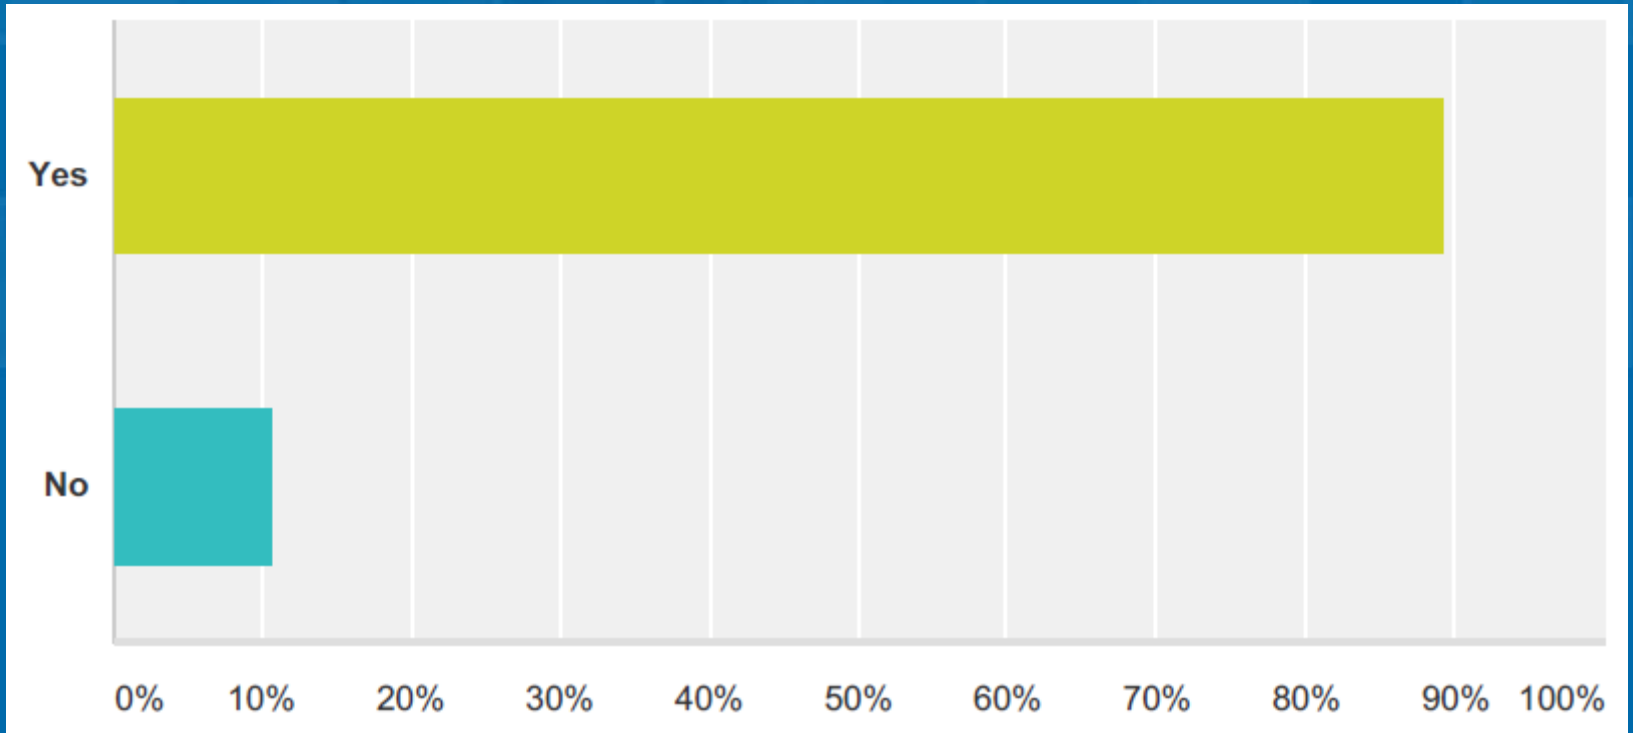

# Pillars of Safety

A community that can Swim & Survive:

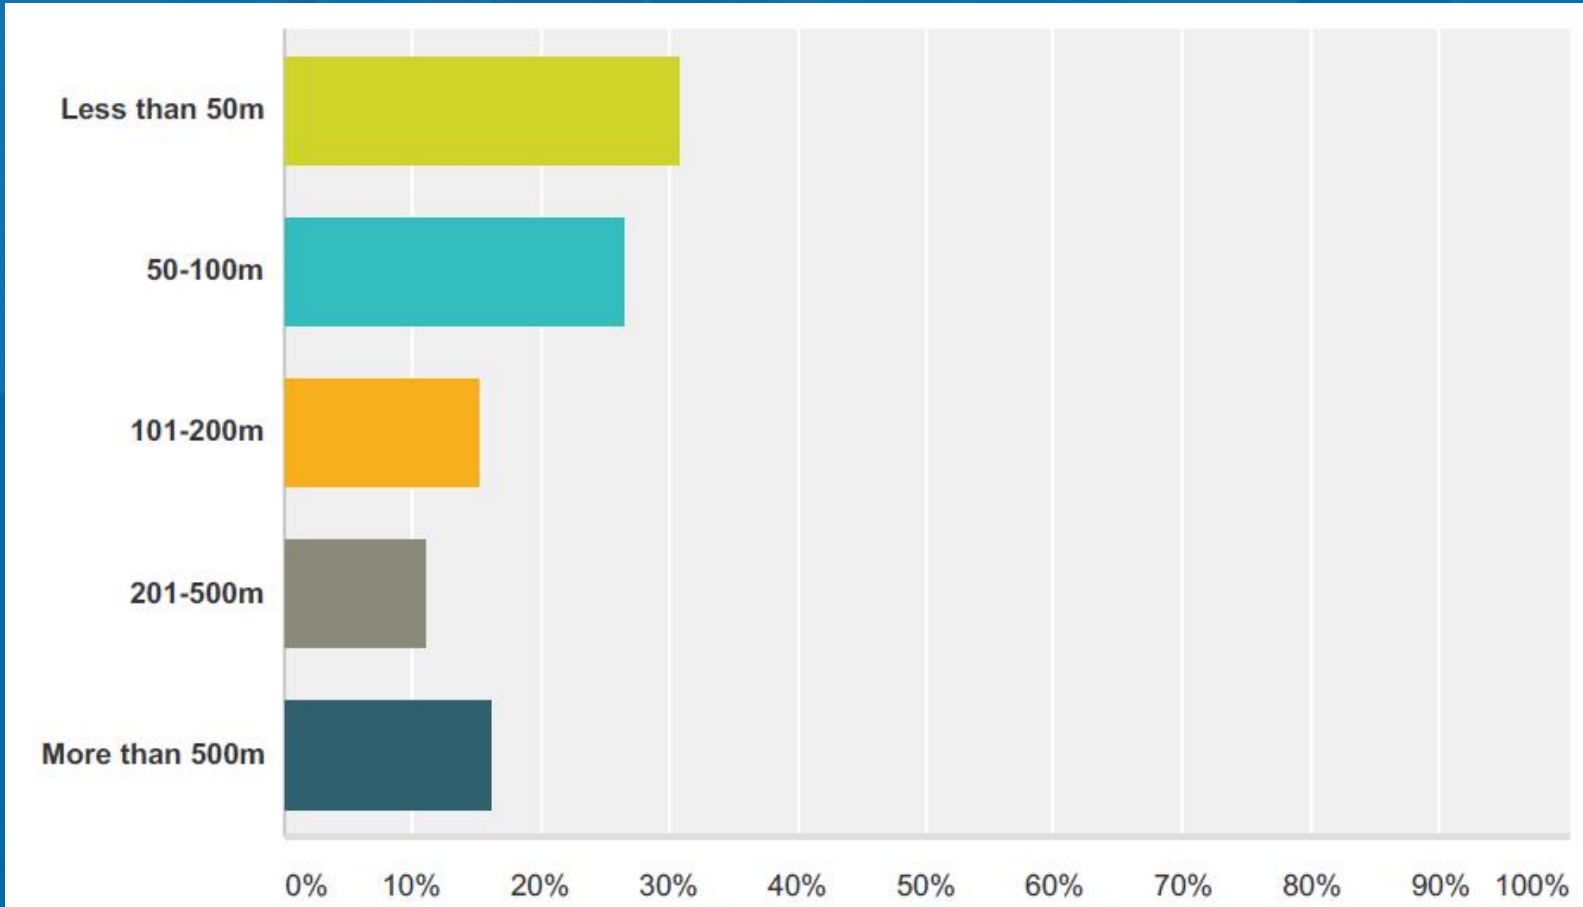

- Demographic & cultural changes.

# Can you swim?

# What distance can you swim?
